

Indian River Photo Club Newsletter February 2018

Hello Members,

The January club meeting was a great time for all members. I want to thank John Buck for presenting us with a great program enjoyed by all. Color, Color, Color was great program and if John does it again I would recommend that all of you that missed it, see it. At this month's meeting we will have Joe Rimkus as our speaker. I'm sure Joe will give us another great program.

The IRPC has a number of Outside the Box Events coming up. They will be mentioned in the newsletter and also on the website. So, if you forget a date it will be easy for you to find it on the website.

Many Volunteers help to make the meetings possible and all members are encourage to help. Volunteers make our club great. I personally want to thank everyone who has helped make every meeting successful.

Reminder that if you haven't paid your membership dues that they are due. Expenses are paid for with your dues and without them the club will no longer be there for you to enjoy. Still \$30. After all these years.

Our next meeting will be on February 22, 2018 and will be glad to see you all there.

Keep your camera ready, your flash cards clean, and your batteries charged,

Billy Ocker, President IRPC
