

Our September meeting will feature a number of **members presenting their own photography**. These presenters are members who are passionate about photography and enjoy sharing with others who want to expand their knowledge and enjoyment of photography.

We begin setting the room for the meeting at 6:00 PM and always appreciate your help.

Print Contest Awards Theme this month is **Mother Nature**. Please have your photos up on the display easels no later than 6:45 PM for review by the other club members during our social time.

Recently, A club member and I were discussing how easy it is to access a lot of useful information on our club's website.

Information such as:

The Board of Directors Contact Information

Newsletters (Since 2009)

Many Photos by Members

Print Competition Rules and Entry Forms.

If you have not checked it out lately, I encourage you to do so at

Come Downtown For “A Day with the Tech Reps”

Sponsored by CANON and Jiffy Photo & Frame

Saturday, September 6, 2014 9 ~ 4:30

Old City Hall, Downtown Ft. Pierce

Spend the day with Canon Product Educators and Technical Specialists and learn to create stunning images from

concept & capture, to edit and print. No matter what brand of camera you use, this event will be helpful to you!

Drew is an amazing speaker!

We'll start the day in class with “what to look for” photo instruction, concentrating on Landscape and Nature techniques like composition, exposure, finding the light, unique angles and camera settings.

Then we'll head out for a photo walk around noon in the downtown area to find some unique photo opportunities followed by lunch (on your own).

In the afternoon, we'll return to the classroom where the Tech Reps will talk about various editing techniques for your images.

Finally, a printer rep will show you how to make that “image file” into a “photograph” you can hang on your wall.

The reps will be set up to demo the Canon Pro-1 and Pro-100 printers by making prints of YOUR images.

Be sure to bring your cameras, lenses, (laptop if you want) and plenty of memory cards.

**We still have room...call today to sign up!
