

Indian River Photo Club July's 2024 Newsletter

Hello Members,

July is the month to celebrate America and I hope all of you enjoyed these special month. This past month's meeting the club had Tom Doyle as our speaker. What a great program he gave us about taken different photo from the same place with different lighting. "Thanks Tom" Donna Green and Pat Rice was the judge the print contest and Christine Wickham provided us with the snacks. Thanks for doing a great job. The club is always looking for members to bring in snacks. Please sign up with Etta at the next meeting.

This month we will have John Buck as our speaker. He always has great program for us. John has great knowledge about photography and in the past worked for kodak. I always learn something new everytime he is our speaker.

The theme for this month's print and digital photo contest is "Patriotic". Digital photos should be sent to Bill Conway at billcnwy@yahoo.com

This month's meeting is on July 25, at 6:30pm. I know you all will be there and thanks for supporting your club. Let keep it going and next year the club will be 45 years old all because of you.

Keep your camera ready, your flash cards clean and your batteries charged,
Billy Ocker IRPC, President

July's Speaker John Buck

The Human Connection

Our July 25 guest speaker is John Buck, current president of the Camera Club of Brevard. John is going to show us how his photography has rewarded him with a deeper and more profound connection to others. As a contract photographer for Eastman Kodak from 1995 to 2009, John was responsible for providing international lifestyle images for use in trade shows, websites and other Kodak promotional and marketing vehicles such as kiosks and point-of-sale material. Kodak required people to be the primary subject and as such, John was tasked with capturing not only a technically sound RAW image, sometimes with a small consumer camera, but also names, addresses and a photo release from each subject or guardian. In essence, John usually had less than 5 minutes to get the image.

In his presentation John will explain how he was able to make the connections with subjects of all ages. He will also take us on a walk down a side street in Bogota, Colombia to demonstrate what he sees as compelling photographs.
